Parameter has been analyzed at BVCPS laboratory Schwerin.

All services provided by Bureau Veritas Consumer Products Services Germany GmbH are subject to our current Terms and Conditions. The test result relates only to the tested item. Without the written consent of Bureau Veritas Consumer Products Services Germany GmbH, excerpts of this report shall not be reproduced. Tests not covered by the laboratory’s testing spectrum may be subcontracted to an accredited laboratory. The accreditation relates to competences stated on the accreditation certificate. If nothing else has been agreed on samples are stored for 3 months. All tested parameters are listed in the appendix.

The testing of mixed samples is carried out at the customer’s explicit request and may imply a deviation from the testing standard. Please note the following: results for mixed samples that are below the limit may exceed the limit if the samples contained in the mixed sample are tested individually. In these cases separate testing of the samples is recommended.
